

Ballarat Toy Library presents

An Information Evening with Bobbi Cook, Behavioural Therapist

BEHAVIOUR MATTERS.

Managing the 'normal' and not 'normal' behaviour of 0 - 5 year olds.

A practical and enjoyable evening, with opportunities to ask questions (anonymously, in writing, if you wish).

Bobbi Cook is an experienced child behaviour therapist and family counsellor. Moving to Ballarat after 8 years of full time private practise in Canberra, Bobbi brings with her a wealth of practical

and informative parenting tips and how to ideas. There will be lots of informative anecdotes, stories of what not to do and lots of how-tos. Bobbi combines humour with skill development to provide us with an entertaining and challenging evening.
